Subject: BRIEFING REQUEST: HONEST ACT-HSST : EPA PRE-PLANNING CALL

Hi Everyone,

Chairman Smith of the House Science, Space and Technology Committee (HSST) recently met with the Administrator regarding the subject area of HONEST Act implementation. Resulting from that meeting OCIR will be coordinating a follow-up meeting with HSST committee staff.

In effort to plan for that follow up meeting, OCIR would like coordinate an internal EPA meeting together with your offices to discuss and plan for the Agency's follow up meeting with HSST committee staff. We'd like to set up two meetings- preferably via-phone to ease in the flexibility of everyone's schedules.

I'd like to set-up our first call for **FRIDAY-1/19**, with our second meeting for next week. This first initial call will be to give you more background on what we in OCIR know, and understand what you know from your AA-ship perspective. From there we will also decide on possible meeting dates with the HSST committee and draft up a potential delegate list who will attend.

To make things easier, I'd like coordinate schedules via-outlook, and set up an invitation with agenda and details. As I do this, please let me know whom else to include.

Happy to answer any questions or concerns.

Best,

Laura
